End of the 1st Quarter is October 26.

You should have received a six-week requirement notice to know what your student needs to complete before the quarter ends. Report Cards will be available on RenWeb. By now most of you have been following your student's progress on RenWeb. If you are having difficulty accessing your student's information, please call Miriam in the office and make an appointment.

Fall Festival on Tuesday, October 31.

Join us for the Fall Festival from 12:00 – 2:00 p.m. Send your kids in costume (please, no scary ones). Though this day is not open to the public and is meant to bless our children, it is okay to bring family or friends. We will be selling lunch foods and snacks. All food and drink items will be \$1 each. Join us for hot dogs, BBQ beef sandwich, nacho chips, brownies, cakewalk, and lots of games. Tickets are 25¢ each or 5 for \$1. You may pre-purchase tickets from your student's supervisor. Come and have a safe, fun family time! *Please note that full goals are required even though it's a minimum day.

God's Creation Calendars

Earn your yearbook! Here's a way to lower that cost. We will give you \$2 credit toward your yearbook for each calendar sold! If you purchase these every year you know they go quickly. Sell the calendars, collect the money, and pick up the calendars from the office to give to your buyers. Sales will begin November 7. The calendars will cost \$8 each. Any orders you get may be filled immediately.

Veterans Day holiday will be observed on Friday, November 10. **No school, no goals. Have a fun day!** *

Chocolate Sales Thank you so much for all of your hard work! We had root beer float parties for those who sold their boxes. Due to the success of the chocolate sales, we are able to buy new tables for the lunch court.

It's cold and flu season!

If you suspect your student has a cold or the flu, remember to wait 24 hours after the last symptom and no fever to return to school. Germs are the one thing that we don't want to share, but remember our students are building up antibodies.

Traffic Control – We are grateful to each of you making the afternoon pick up time go so smoothly! Mr. King has been doing a terrific job with traffic control on Kenora Drive.

November is a time to stop and count your blessings Not only are we thankful for Jesus and for those who founded our great country, but we are also thankful for all of you. Thank you for all you do and for caring so much about your family. In celebration of Thanksgiving November 20-24, Monday – Friday there will be no school, though, these days may be used to get caught up if your student is behind. We wish you all a blessed holiday. *

*No school; Goals are parental discretion – students may need this time to catch up.

*Enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his name. **Psalm 100:4***
